1. Overview

- Prep Coin™ (PREP) is a Solana-based utility token developed in Swansea, UK. Presale opened: May 8, 2025
- Full launch: November 8, 2025.
- It bridges blockchain technology and prepping-first utility, offering gear access, staking rewards, and governance built for tactical clarity and financial autonomy.

- Key Features:
- - Smart contracts audited by Cyberscope (April 2025)
- - Leadership fully KYC-verified by Cyberscope (October 2025)
- - UK trademark (UK00004162154)
- - Active community via the official Facebook Page, Telegram, X, and YouTube channel (primary hub for live content and tutorials)
- - Legacy Facebook Group maintained for transition, with contributors migrated to the Page
- - Presale hosted on Pinksale with liquidity locked for 365 days
- - Age restriction: 18+ or with guardian supervision

3a. Transparency & Wallet Allocation

Prep Coin™ prioritises full transparency and audit-safe clarity. The following wallets represent the verified on-chain allocations for PREP and Prep-STK. These addresses reflect the actual distribution after post-launch restructuring and token migration.

Liquidity Lock Wallet

3tod4efVpW11sLNR7HPke6o5xcbpBkWerjJFvFBetWjM

Holds 6,997,921 PREP (69.97%) across two token accounts. This wallet contains the locked liquidity and long-term reserves. Tokens are locked and non-circulating.

Founder Wallet

BRwFRoHKF7AaCVpKhSwiXcrhW7hPU4dWg3Hstqy3VDm6

Holds 2,000,000 PREP (20% of total supply). This allocation is locked until 8 May 2026 and cannot be transferred before that date.

Marketing Wallet

EXDG55n6pii2mBgX9YQWpatxuQxD4UcxFB7sbkGW6s62

Holds 695,000 PREP (6.95%). Used for outreach, partnerships, listings, and ecosystem growth.

Shop Discount Wallet

2XhUMcwaBk5jZAtkQPqq6EBxNMDHMS7G2sfJY3Crqwxm

Holds 500,000 PREP (5%). Used for Prep Cache™ shop discounts, contributor incentives, and community rewards.

Staking Deposit Account (Program-Controlled)

CzRTaj61swXDd8izNGw5SytSud8GaKPxCAw9rj2SwpTk

Holds approximately 110,000 PREP. This account receives staked PREP via the Solana staking program. Balances are aggregated and controlled by the staking contract, not by the team.

Raydium Vault Authority (Automated LP Management)

GpMZbSM2GgvTKHJirzeGfMFoaZ8UR2X7F4v8vHTvxFbL

This is the Raydium Vault Authority for the WSOL-PREP liquidity pool. It manages automated liquidity operations and does not represent a team-controlled wallet.

Lock Status Update

As of 20 December 2025, approximately 73% of PREP supply remains locked across the liquidity lock wallet and founder wallet. Lock proofs are publicly verifiable via Solana explorer and documented in the Prep Coin™ GitHub repository (github.com/prepcoinhq).
